"FALL MOTH"

by Candus, age 15

"It's beginning to be winter, the worst time of year. Things die off and you feel like you do too. Cold and frozen in sight, hanging on like the first icicle in winter. Things will be alright even if you're frozen in sight. All you gotta do is have insight, my dear fall moth."

In a New Light is a therapeutic nature photography project at Northwest Passage. To see more of the kids' photography, visit inanewlight.org.
